

BASIC PISTOL CLASS

**Saturday, November 14th
10AM to 2PM**

**\$100 all inclusive: firearm, ammunition,
instruction, range time.**

Class Description

You will learn the safety rules, terminology, how a handgun works, types of ammo and the fundamentals of shooting. We will use a Glock 44 (.22lr) pistol which you will become familiar with and learn to safely load and unload. After classroom instruction, we will go into the indoor shooting range and fire off 20 rounds per student. This is a great way to learn about firearms, practice safe shooting, and have an enjoyable time in the process.

Glock 44 is provided but you may use a complimentary rental chambered in 9mm with the purchase of ammunition at range counter.
